Measure, Appointment or Topic: HB4153

I am a patron of Bushue's Family Farm.

Every year we visit the farm for local produce, as well as the annual pumpkin patch and fall festivals. It is important to me and my family to have access to local fresh produce as well as the quality family time we experience while at the farm. Their U-pick crops and annual farm events make up an important part of our lives and something that we plan and look forward to throughout the year.

I support HB 4153, and would hope that you would do the same. The future of family farms and the agritourism they provide for Oregon families is something that I hold with upmost importance.

Thank you for your consideration on this matter.
Sincerely
Danielle N. Ruegg
