

Submitter: Will Hobson

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1507

My name is Will Hobson, Communications Chair with the Libertarian Party of Oregon.

Oregon Libertarians are **STRONGLY** opposed to SB 1507. This bill is a Trojan horse that promises tax breaks that can be easily revoked if a **PUNISHING** new sales tax is introduced. Oregonians are wise to these bait-and-switch tactics and we are confident that the people of this state will see through this ruse and never allow it.

Libertarians also side with the many Oregon small businesses testifying today who are opposed to federal tax code disconnect amendments which would cause them further financial strain in already over-regulated and over-taxed Oregon.
