Measure, Appointment or Topic: HB4125

Good afternoon,

I am writing to express my strong opposition to HB4125. While PERS recipients deserve their hard-earned retirement, it is neither the responsibility of those Oregonians nor of the rest of us to pay for Salem politicians' overexpenditures.

As a self-employed freelance marketer struggling to make a living in rural Oregon, I, like so many Oregonians, manage my personal finances on razor-thin margins. I request that those individuals who are employed to serve the state of Oregon and its citizens rein in spending, stop perpetuating debt, and practice fiscal responsibility before further burdening taxpayers by funneling our Kicker Refund dollars down a black hole.

Thank you.
