

Submitter:

Chris Greco

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I oppose this measure as a burden upon my 2A rights. Criminals don't care about gun laws all this measure does is punish law abiding citizens. Now is not the time to disarm the citizens of this country. I have a right to a firearm and to defend myself per the constitution and this is a burden.
