Measure, Appointment or Topic: HB4123

Honorable Chair Pam March and Committee Members

Thank you for this opportunity to provide testimony for HB 4123. I believe in a right to privacy for all. This bill assures that renters have the same assurances of having their basic information kept private like any other person. Vulnerable people such as disabled and immigrants need protection from discrimination and coercion. This bill aligns with a broader legislative focus in 2026 on digital privacy and consumer protection. Please support this bill.
