Resources, and Water

Measure, Appointment or
Topic: HB4153

I strongly support the idea of having farm stands, not stores on any size lot! One can grow a great deal of quality food on one acre! There should be no limit to the size of acreage that a farm needs to sell produce, or any other products that are from the farm such as seasonal jams, or cheeses, or other farm produced items. Please vote no on this unfortunate bill until any size acreage. Thank you
