Measure, Appointment or Topic:

HB4145

I am an Oregon resident who voted for Measure 114. As a mother, grandmother, and a retired educator who taught students for over 35 years, I have long supported a reduction in gun violence and want to see Measure 114 implemented immediately. The current delay from the Courts has been extremely frustrating. Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now. HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules. HB 4145 MUST pass this session."
