Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

Small rural communities like Alsea need more, not less, regulatory flexibility to support local businesses, farms, and economies. Even small scale farm stands can be vital in fostering the return of farmland to farm use instead of having the productive land be some retiree's lawn. I do not support this bill and urge you to vote against it.
