Measure, Appointment or Topic: HB4114

Honorable Co-chairs Kropf and Chotzen and Members of the House Committee on Judiciary,

Thank you for the opportunity to testify in support of HB 4114. I have lived in Eugene for almost 30 years. My children attended 4j schools and I volunteered in their schools. We must protect our state's vulnerable—children, hospital patients, those in senior living situations. The public protections in HB 4114 will help keep our people safe from out-of-control federal authorities.

Please vote in favor of HB4114. Thank you for reading my testimony.

Sincerely,

Denise Jessup
