

Submitter:

Linda Bounds

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

As an Oregon Citizen, I am submitting my testimony in opposition of HB4125. The Kicker was voted on by the People of Oregon and added to the Oregon Constitution. To assert change should only happen by again putting it to a vote by the People of Oregon. Allowing a legislative vote to make such a change would Unconstitutional.
