On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1507

As the breadwinner of a single-income family in Portland, I am asking the members of the senate to oppose SB1507. This state already has some of the highest taxes in the country. Imposing yet another tax on residents of Oregon such as myself only increases the financial strain that I and others like me feel every day. There is no guarantee that the income tax would be done away with and property taxes increase annually. The fiscal responsibility of this governance is beyond lacking and yet Oregonians are expected to yet again pay for it. If this governing body is truly for people such as myself, you will oppose SB1507.
