

Submitter:

Josh Eckard

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

As a life long Oregonian any further restrictions or prolonging of Oregonians obtaining firearms will only prevent other law abiding Oregonians from legally obtaining firearms to protect themselves from criminals that will have firearms regardless of any laws enacted. Please stop any further laws that keep law abiding Oregonians from being able to protect themselves and instead enact harsher penalties for criminals who choose to utilize firearms. Thank you for your time and god bless!
