

Submitter:

Dustin Herron

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I am strongly opposed go Measure 114 and HB 4145. As a lifelong Oregon resident, taxpayer, and Oregon voter who has often voted for Democrat politicians, continued attempts at limiting our 2nd Amendment rights has made it increasingly difficult to support them. Laws like this are a disappointing waste of time, money, and taxpayer resources.
