Measure, Appointment or Topic:	HB4145

I am an Oregon resident who voted for Measure 114 and totally support it. I wanted it implemented immediately for the safety of every community in Oregon. The delay due to the Courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

HB 4145 will make the implementation of those steps more efficient, clear, and effective. They should and need to be in place once the Court rules.

HB 4145 MUST pass this session to avoid further delays in the implementation of this public safety issue that has already been decided by the vote of the citizens of this state.
