HB4145

Hello,

I'm a resident of Oregon and worked on the campaign for Measure 114. Please, implement it immediately; the delay due to the Courts has been frustrating. We absolutely need to reduce gun violence. Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.

HB 4145 MUST pass this session."
