House Committee On Revenue

Measure, Appointment or Topic:

HB4125

As an Oregon resident and taxpayer, I am urging you to vote NO on HB4125, and disband it, which unlawfully, and without resident/taxpayer vote, redistributes Oregon kicker funds away from Oregon voters and taxpayers. The kicker is held within the Oregon Constitution and a Legislative vote is not enough to amend it.

Please consider yourself as the voice of the people of Oregon and vote NO and disband this House Bill.

Thank you!
