

Submitter:

Daniel De Forest

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

This is just another reach to impeded on our second amendment rights. The exclusion of retired police officers or active police officers goes against the Oregon constitution you can't give special privileges to a certain class of citizen and refuse it to another class of citizen. This also goes directly against the ruling in bruin set by the supreme court
