HB4125

Dear Chair Nathanson, Vice Chairs Reschke and Walters and members of the House Revenue Committee,

As an Oregon voter in 97202 and a partner to an educator, I want to urge you to support HB 4125 to modernize the Kicker. I experience and bear witness to the impact that lack of funding has on staff and students, we should find more strategic and secure ways of ensuring funding. The fact that students do not have adequate resources and they cannot rely on the system is unacceptable. Educators should be able to feel stable in their job positions and to be adequately supported in providing the services needed.

Please vote to move it forward!
