

Submitter:	Gregory Heuss
On Behalf Of:	LEVO
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

Committee members,

I am an Oregon resident who collected signatures to get Measure 114 on the ballot. Please expedite the implementation of several common sense steps to reduce gun violence. We are asking to enact protections that have been implemented in many other states including a ban on large capacity magazines, closing the Charleston loophole and requiring a permit to purchase a firearm.

HB 4145 must pass to enable the implementation of common sense protections for all Oregonians.

Thank you,  
Dr. Gregory P. Heuss
