Measure, Appointment or Topic: HB4114

Honorable Co-chairs Kropf and Chotzen and Members of the House Committee on Judiciary,

Thank you for your service and for the opportunity to testify in support of HB 4114.

I have lived in Eugene for almost 30 years. My children attended schools in the 4j School District, and I volunteered in their schools.

We must protect vulnerable Oregonians from brutal federal agents' actions. School children, hospital patients, the unhoused in shelters, and other vulnerable people need laws that protect them from out-of-control federal authorities.

Please vote to pass HB 4114 to protect our people.

Sincerely,

Denise Jessup
