Paul Carbaugh

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

Dear Committee Chair and members,

I strongly OPPOSE HB 4145. This bill does nothing but impose more regulatory requirements and financial costs to the citizens of Oregon. There are already regulatory protections in place to prevent "bad people" from legally possessing a firearm in Oregon.

I urge you to vote NO on HB 4145.

Paul Carbaugh
