

Submitter:

Mike Kirkpatrick

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

Ladies and Gentlemen,

I, as a resident of Oregon absolutely oppose this measure. It was poorly written, steps on too many rights, and seems like a way to remove weapons from law abiding citizens. We, as citizens elected you to protect our rights, not tread on them through tyrannical and unconstitutional legislation.

Vote no.
