HB4145

This is absolutely an unconstitutional measure for legal owners of firearms. I have an FFL (Federal Firearms Dealers License) and a concealed carry permit but the state sees fit to still make me get a permit to simply purchase a firearm.

This measure does absolutely nothing to the criminal's ability to illegally purchase stolen firearms, it simply makes it more difficult for law abiding citizens to exercise their constitutional right to purchase firearms legally as we always have done.

The state needs to focus more on mandatory minimum jail/prison sentences for criminals/felons who possess or use a firearm in the commission of a crime.
