

Dear members of the Oregon Legislature,

We, the undersigned, urge you to support HB 4134, the 1.25% for Wildlife bill, to secure long-term, dedicated funding to recover Oregon's most imperiled fish, wildlife, and habitats.

As a person who recreates in Oregon, spends time in the beautiful outdoors, and contributes to Oregon's robust tourism economy, I support increasing the state lodging tax from 1.5% to 2.75% to protect Oregon's cherished wildlife and natural legacy.

For both the people who call this beautiful state home and for those who love traveling here, Oregon's natural heritage is special and deserves to thrive for generations to come.

The time to act is now. Please support the species and habitats that make Oregon an incredible place to visit by supporting this historic bill.

Signed,
