Chair Nathanson and committee members, I support 1.25% for wildlife because it solves the long-standing funding gap for wildlife and their habitats.

It also includes stable funding for the Oregon Conservation Corps to keep Oregon's communities safe from wildfire as well as dedicate funds to implement Oregon's State Wildlife Action Plan and other programs that I support. Oregon is a popular state to visit because of its magnificent outdoor recreational opportunities. An additional 1.25% will not deter visitors or Oregonians from enjoying the multitudes of activities Oregon has to offer and we will still be in the lowest third of state lodging tax nation wide.
