

Submitter:

Mindy Velarde

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

Please take note of my opposition to this attack of my civil rights. Please stop this madness. I deserve my rights without liberal dictators choosing which ones I get and dont. Another attempt to pass garbage verbiage and rules of 114 that only apply to law abiding citizens. People who follow rules are not the problem.

Thank you.
