SB1563

My name is Aubrey Raney-Avers and I am asking you to support SB 1563. This bill seeks to give rights for civil actions because of damages done by law enforcement while also giving the provision that if the suit is determined to be frivolous, the attorney's fees for any accused law enforcement will be paid for by the accuser.

There are certainly many honest and hard-working members of law enforcement, and I'm glad to see a part of this bill addressing this by discouraging unwarranted suits. If one of us is harmed and have physical or economic damages, it should be within our rights to bring a civil lawsuit against anyone responsible regardless of their job title. Please support this measure and thank you for your time.
