On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4123

Dear committee members considering this bill,

Individual privacy is an essential right in the United States, and it is especially important when vulnerable populations are being targeted by current immigration policies. It is important for renters to know that landlords are restricted from revealing personal information about their renters, especially to masked and unidentified federal agents. Please pass this bill in your committee and forward it to the floor of the legislature for passage. Thank you.

Sincerely,
Robert Marquis
