

Submitter:

Kady Ferris

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

I am a constituent in Portland with a child enrolled in a PPS school. I urge legislators to support this reform so we have the money to address the shortfall in education funding and resources make a brighter future for Oregonians. I do not want my tax money back! I want you to use it to make things better!
