Measure, Appointment or Topic:

HB4145

I am an Oregon resident who voted for Measure 114. I wanted it implemented immediately, and the delay due to the Courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

This measure can save lives by requiring safety training, reducing the capability of mass shootings through magazine limits, and closing loopholes in the background check system.

The law has been determined to be constitutional and consistent with Oregon Court of Appeals rulings.
