Measure, Appointment or Topic:

SB1583

My name is Aubrey Raney-Avers and I encourage you to support SB 1583. I am encouraged to see our state continuing to push forward in our efforts to help those struggling with substance addiction, and applaud those that make this their work. This bill focuses on support and programs that can bring healing and recovery instead of punishment, and I hope to see it be enacted. Thank you for your time.
