Resources, and Water

Measure, Appointment or Topic: HB4153

Good afternoon.

I wanted to let you know that I support fully HB 4153. This bill is very important to our state and communities. Small farms are very important, providing good safe affordable food to many people. I value local farms, agritourism, and the opportunities farms provide Oregon families. Please vote YES for this very important bill. I hope that through this bill my family and I will be able to continue to visit and enjoy all the benefits that small farms provide.
