

School Meals for All (SB 1581)

To Senate Committee on Education,

Growing up, food wasn't always something we had in my home. Being able to go to school 5 days a week guaranteed I got to eat 5 meals a week. Having free school lunches has saved me from countless times of continuous hunger.

I'm thankful for the amazing option of being able to have free meals while mandatorily attending school

Thank you,
Eva H.
