

Submitter:

Paul Fruin

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I am in NO way supportive of ANY bill that restricts gun rights and in ANY way is in opposition to our 2nd Amendment Constitutional rights! We have already restricted gun ownership beyond the rights that were provided in the U.S, Constitution. And I'm not even a gun owner! But as citizens, we NEED these rights to protect us from government tyranny! Listen to We the People!
