

Submitter: LISA PISCITELLO
On Behalf Of:
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water
Measure, Appointment or HB4153
Topic:

I believe small farmers and independent farm stand operators deserve the opportunity to operate their businesses. These small businesses and farms are the lifeblood of communities, drawing local people together with shared interests and items. This bill potentially inhibits the ability for farms to subsidize themselves (rather than expect tax breaks and subsidies from the government). Isn't that a good thing?!
