Dear Oregon Legislators:

I support HB 4145 for the following reasons:

1. A permit to purchase a firearm is one of the best ways to prevent firearm suicide. We know that putting space between a person and a gun when they are suicidal can save a life.
2. Banning large capacity magazines helps keep Oregonians safe.
3. Every gun sold should have a completed background check. HB 4145 would close the loophole that allows gun sales before a background check is completed if it takes longer than 3 days.

Thank you for your active consideration,
Linda Twichell
