

Submitter:

Morgan Schiller

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

Please support this measure. Being able to save money on years with more revenue allows us to save for rainy days and is just fiscally responsible. Oregon schools need more consistent and robust funding to reduce class sizes and increase the number of school days. Especially with the reduction in federal funding support, our state needs to take matters into our own hands to support necessary programs, including our schools.
