HB4145

I am in opposition to this bill and its emergency declaration. This is an important subject that is worth of public discussion. Please allow the public to understand what this bill is and is not establishing in law, and let us have a say in how we participate in public life especially as it pertains to our own self-defense and well-being. Please vote no on this bill and allow a follow-up discussion for us all. Thank you for your consideration.
