

Submitter:

Nancy Lee

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or  
Topic:

HB4153

Oregon needs to ensure that rural landowners are able to make a living from their land. Small, family farms are integral to our society as a whole, and enable families to remain in place and independent of big corporations. I personally love being able to purchase flowers, cheese, milk, ice cream, meat, fresh fruits and vegetables directly from a grower. It feeds my soul. Please pass this bill!
