House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I urge you to pass HB4145. I voted for Measure 114 in 2022 to help reduce gun violence and increase safety of all Oregonians. There have been enough delays. It's time to implement this law and HB4145 will help make implementation more efficient and effective! Let's move forward! Please pass HB4145!
