Measure, Appointment or Topic:

SB1594

As a citizen and resident of Oregon since 1970, I am concerned that we the public can feel confident that we will be kept safe to the fullest extent possible should ICE or Border Patrol become active in our community. (In fact those agencies are already active in Eugene.) I believe that having our state's public bodies have good policies and procedures in place in the event of possible federal actions is crucial. Please approve SB1594 to create such policies, and forward it to the floor of the Senate for passage. Thank you.

Sincerely,

Robert Marquis
