

Submitter:	Evan Zaremba
On Behalf Of:	Oregon College Students
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4134

I love to spend my time outdoors and in my time adventuring in Oregon, I have seen many areas that could hugely benefit from an input of funding. I see this policy as a reinvestment in our natural spaces, using the money generated by outdoor tourism to benefit the outdoor spaces that people want to visit. I support this bill.
