HB4134

This is in regard to HB 4134 Funding for Oregon Department of Fish and Wildlife. I would like to see you pass the 1.25 % lodging tax for out-of state visitors. I hosted many friends and family and they all enjoy to watch our unique wildlife at the coast and other places. This is a precious resource that needs to be stewarded properly. The bill will provide funds for that and also for wildfire prevention. My visitors from the inland would not mind to pay this small increase in their bill!
