

Submitter:

Janice Sugar

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

First we faught to get the transportation tax on a ballot so we the people could vote on it NOW you want to for into our kicker!! No, I oppose this!!

You could use the money you spend on illegals by deporting them.

I, along wih many other Oregonians, would not harbor a criminal in our homes so why do you think we would want to harbor them on our state, it makes no sense!
