Measure, Appointment or Topic:

HB4145

I am against measures 4145 due to several reasons.

1. Back in 2024 and 25 the Supreme Court ruled against both high capacity magazine bans and permits to purchase firearms.

My other concern is the fact that 114 passed with roughly 5,000 votes but yet we have an estimated 800,000 inactive voters which I feel increases risk of voter fraud. If politicians really want to make a difference in my opinion if you would bring everyone together and come up with real solutions that don't violate the constitution but works to make us safer .

I am also a retired peace officer that works corrections at pelican bay . On occasion I would ask inmates if they abide by gun laws when they paroled . Almost every one I ask through the years said the same thing. "Yeah Right !".

I feel that laws like ones mentioned only hurt law abiding citizens and put restrictions on retired law enforcement that can help when appropriate.

Thank you for your time!
