

Submitter:

Richard Vander Velden

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

"Shall Not Infringe" is not just a saying - it is literally words(Law) written into our constitution. It was written so a militia or local armed groups can fight off a tyrannical government foreign or Domestic, if necessary. Automatic weapons in the hands of mentally ill citizens is yes too great a risk, but ANY SMALL ARMS below that are the right of citizens to own.
