

Submitter:

Kat Martinez

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4114

Please vote YES on HB 4114, the Protect Your Door Act. It is important Oregon strengthens its ability to uphold the 4th Amendment. No one should be able to enter my home illegally, without my consent, and without a valid warrant. Please use your role in the legislature to protect Oregon residents from the violent illegal, federal actions that are threatening our communities.
