Measure, Appointment or HB4153  
Topic:

I urge you all to support HB 4153. We need as many farm stores, fruit stands, farm stands, farmers markets etc as possible. We need to support our local farmers and allow them to by any means necessary get our communities fresh, healthy, local produce and goods.

The best way to have a strong resilient economy and healthy community is to ensure our farmers, loggers etc are taken care of so they can ensure we have the goods we need.

Thank you for supporting House Bill 4153
