HB4145

Thank you for the opportunity to give my testimony today, I oppose HB 4145 as it takes the Constitutional Rights away from law abiding, tax paying Citizens of Oregon. This will slow down the process to obtain a firearm and for those in desperate need with make their life much more dangerous. There are so many people in life threatening situations, and to make the system longer will only cost more lives. The cost also jumps up add that to someone barely getting through life, with a violent partner, and add more cost, and longer wait times for purchase if they can. Please see you are tying their hands to protect themselves and their family. Please vote no on HB 4145, and give everyone the right to protect themselves and their families.

Thank you, Candy
