Measure, Appointment or Topic: SB1507

NO on SB 1507 !!!

Our legislators in the Majority already tricked Oregonians into a sales tax via the Corporate Activity Tax.

You expect us to believe that our tax and spend failed legislative branch is going to willingly give up other taxes in Oregon and go with a sales tax instead?

Every time we give the state more funds they need more!

Lottery was supposed to fix our tax shortages ! Failed do to overspending and redistribution!!

Marijuana sales was supposed to fix tax shortages!
Failed do to overspending and redistribution !!

Gas taxes were supposed to pay for roads and maintenance.
Nope. Failed !!

No. No More. Full Stop!

Time for the state government to learn how to budget like everyday Oregonians!

Nooooo on SB 1507 !!
